## NEWS RELEASE

*For Immediate Release – 9/6/2024*

### Fatal Crash Investigation

FORT WORTH, Texas – On Friday, September 6, 2024, at approximately 6:26 p.m., the Fort Worth Police Department West Division officers responded to the 5200 block of Bryant Irvin Rd. in reference to a fatal crash investigation.

Officers found that one of the drivers in a two-vehicle accident was pronounced deceased at the scene by medical personnel. The driver of the other vehicle sustained what are believed to be non-life-threatening injuries.

Officers are investigating the circumstances surrounding the incident.

The Tarrant County Medical Examiner's Office will determine the manner and cause of death, as well as the identity of the deceased, once the next of kin has been notified.

The Fort Worth Police Traffic Investigations Unit is conducting the investigation.

Report Number: #240070775
