

FORT WORTH POLICE DEPARTMENT

HOMICIDE UNIT

COLD CASES

The following individuals have been arrested in connection with multiple homicide cases in Fort Worth. The types of murders with which they were involved have led investigators to believe they may have committed violent acts against other individuals.

If you have any information on any of these subjects, please contact the Cold Case Unit.

Sam Chinn III

Sam Chinn was serving a life sentence in New York for the murders of two women in the city of Syracuse, when his DNA was matched to evidence in the body of an 89 year-old black female who was raped and strangled in her home on East Stella Street in Fort Worth in 1989. Sam Chinn was working as a handyman in Fort Worth at the time.

Sam Chinn was a transient. He was known to have traveled to a number of places around the country, including New York, California, Illinois and Texas.

REGINALD WENDELL PERKINS

In the year 2000, Reginald Perkins was arrested for the murder of his 64 year-old step-mother, who was found inside a car at a parking lot in Fort Worth. He was convicted and was sentenced to prison.

He had already served time in Ohio for a murder that occurred in 1980.

A DNA database also linked him to a double-homicide that occurred in Fort Worth in 1991. All of the victims were females whom he knew. He also was convicted of several Sexual Assaults in Ohio.
